

By participating in any online classes (pre-recorder or live) with BDA you are agreeing to the following:

- Your child has gained your permission to be online.
- It is parent's responsibility to ensure dancers have at least two metres clear space around them, that the floor is clear of any objects or spills, and the surface is appropriate to dance on.
- Where possible, webcams are located in a communal space like a living room - rather than a bedroom. If only a private space like a bedroom is available, you must keep the door open and/or have a parent present for the duration of class.
- Ensure that students are wearing appropriate clothing that is suitable for dance and in no way revealing.
- Understand the sharing of online class invitations and passwords are strictly forbidden.
- Your child participates in these online dance classes at their own risk. You understand that dance is likened to sport and, although rare, injury may occur. Brighton Dance Academy will not be held responsible for any injury that may occur to your child during dance class.
- Each live class will be recorded and archived for 36 months for child safety and insurance purposes.
- Though your teacher may be able to see students, it is not the same as a live, in studio class. Students and parents will have to take more responsibility than usual for the safety of the dance space and movements.
- Please note that the material in classes is under copyright and has not been approved for sharing, or for third party recordings. Sharing of pre-recorded classes or live class links and passwords are strictly forbidden.
