

## Spacing Rehearsal and Photo Day

**Date:** Sunday 12<sup>th</sup> November 2017

**Venue:** Phoenix Theatre, Elwood

**Wear:** Concert costume (if you have multiple, look at what is first in the schedule). This includes actual costume item, any head pieces/props associated, tights if required and shoes if required. Please also bring general dance wear ie. Leotard, bike shorts, crop top etc.

*\*Zip-up jacket is also required – not a jumper that goes over the head*

**Make up:** Light stage make up. Please bring items that may be required for touch ups ie. lipstick

**Hair:** Styled according to dance (this information will be provided with costume). Please bring all items required for hair style changes (if required) and touch ups.

**Food:** Please bring non-messy snacks, water and lunch (depending on times your child is required).

A zip-up jacket must be worn when eating food to protect costume!

**How the day runs:** Students will arrive according to their age bracket and will either start with their photoshoot or rehearsal on stage and then swap to the other.

For the photoshoot; students will dress in their costume with accompanying hair, tights, shoes etc. Each child will have approximately 3 individual photos taken in that costume and then approximately 2 group shots will be taken of the class. If students are in more than one dance, they will then change into the costume for their next dance and the process repeats until all dances in the age bracket have been completed.

For the rehearsal; each group will have time with their teacher to space out their dance on the stage and run it with music. As the rehearsal will be run in age brackets, students in more than one dance will be rehearsing items one after the other. Because of this, we recommend students rehearse in dance wear and not costumes as there won't be time to change. If your child is only in one item then they may rehearse in their costume.

### **Day Schedule:**

*\*Please note, some students are in multiple age groups so please ensure you find all classes on the list below and arrive at the earliest arrival time and leave at the latest pick up time.*
