Concert Day Schedule

Cast 1, Concert A

Date: Saturday 2nd December 2017
Venue: Phoenix Theatre, Elwood
Wear: Concert costume (if have multiple, look at what is first in the running order). This includes actual costume item, any head pieces/props associated, tights if required and shoes if required.
**Zip-up jacket is also required – not a jumper that goes over the head*

Make up: Full stage make up. Please bring items that may be required for touch ups ie. lipstick
Hair: Styled according to dance (this information will be provided with costume). Please bring all items required for hair style changes (if required) and touch ups.
Food: Please bring non-messy snacks and water. Students must wear a zip-up jacket over their costume for protection while eating.
How the day runs: All students will arrive dressed and ready for their first dance (according to the running order) with all other costumes and accessories in a box or on a hanger. Ballet students will set up, warm up, then perform. Theatrical students will keep their belongings in their bag for the duration of the ballet but can use this time to warm up and rehearse.

There will be a 20 minute intermission where food and drinks will be for sale for audience members – please do not contact students during this intermission as they will be busy organising themselves for the second half. Ballet students will pack up while theatrical students set up and then perform. There will be no speeches or awards during this concert, and it will not be filmed as the entire show will be repeated the following day.

At the end of the concert, students will need to pack up and clean up before leaving the premises. This is because another dance school is using the stage the next morning before we return that afternoon, which means unfortunately students can not leave anything behind.
