

Little One, Big One

18 months - 3 years

Friday

10:00-10:30am Little One, Big One

This class is for children aged 18 months – 3 years who start to wriggle, jump or clap whenever they hear music. These young dancers and their ‘big one’ whether that be mum, dad, grandma, or a babysitter, will learn the basics of dance in a friendly and creative environment. Having their ‘big one’ there gives these young dancers the extra sense of security and confidence they require. Skills such as rhythm, balance, musicality, coordination, as well as gross and fine motor skills will be built during these classes. Using props, musical instruments, imagery, and songs, our ‘little ones’ will also be introduced to basic ballet and jazz steps.
